To Town Clerks

Gentlemen:

The enclosed cards are for the implementing of the recently passed amendment to General Laws, Chapter 51, Section 42, making it mandatory that voters be informed upon presenting themselves for registration that they have the right to ask for enrollment in a political party at the same time. The statute also requires the posting of a notice containing this information on the premises at the session for registration. The effective date of the amendment was August 15, 1965, and it is now in effect. Very truly yours,
